

AUTOMOTIVE ENGINEERING PVT. LTD

S S AUTOMOTIVE ENGINEERING PVT. LTD

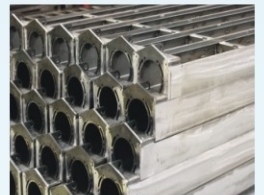

Fabrication & Engineering

www.ssmotive.com

Product Line

- Fabrication and Supply of Steel Structure Supports and Brackets
- Fabrication and Supply of Shuttering Plates
- Fabrication and Supply of All Kinds General Fabrication
- All Kind of Machining Works
- All Kind of CNC Works
- All Kind of Forging, Casting, Gray Casting, SG Iron etc
- Also Deal In All Kind of Raw Materials, General Supplies
- Machining of All Kind Machine Shaft Size

Quality, Management System

Quality, Health, Safety and Environment (QHSE) at SS Engineering We understand the value of human life and sustainable development for healthy growth of a community. **SS Engineering Industries'** QHSE program ensures these goals by exercising zero tolerance for errors in the implementation of best Industrial QHSE practices. These are supplemented with incentives, training, process control, and deployment of most effective time tested quality Improvement tools. Our strategy is built around plan, do, check and act (PDCA) and is reflected in our systems appreciating following key elements:

- Provision of a framework for the setting of QHSE Goals and performance objectives.
- Monitoring, evaluating and continually improving upon our QHSE performance through operational standards, training, assessments and audits.
- Making customers, contractors, and business partners familiar with our QHSE system & Creating awareness on how their actions can influence QHSE performance.
- Making QHSE a part of all product development projects.
- Making ourselves, aware of the global industrial initiatives and collecting feedback from our stakeholders for taking improvement initiatives.
- All of our operations submit to certified integrated management systems, which include ISO 9001 - 2008 are run in accordance with national safety council guidelines.

Major Clients

- Nelum Jhelum Hydro Power Project
